| | NUR 4351 | Professional Nursing Development: Consumer of Research | 3 | | | | | |
| | | | 16 | | | | 15 | |

Notes about major requirements:

– For more information, see the Baylor Undergraduate Catalog.

Please see reverse side for important information on general requirements.

1 Students are responsible for completion of approved general education courses in the regular semester prior to beginning classes at the School of Nursing. In other words, completion of pre-requisite classes for students beginning nursing courses in the fall semester must be completed in the spring prior to beginning classes or during the fall semester for January entry into the nursing program.

2 ENG 1304 will be accepted as dual credit or transfer credit only. BU Freshmen will take ENG 1302 if they do not meet requirements for 1310.

3 May be met by a course in British, American or World Literature, or by an upper-level (that is, above the intermediate level) literature course in modern foreign languages or in classical languages.

4 Students have the option of taking Foreign Language, American Sign Language, Communication & Media Literacy, or Fine Arts. Spanish language is strongly recommended because of the demographics of the area. Students must take one language through second level proficiency. Second degree students should seek advice from School of Nursing advisors prior to registering for a foreign language. Students choosing a course from the Communication & Media Literacy or Fine Arts distribution list must take 3 hours from each of those Core Curriculum areas. Students taking Foreign Languages will not have a Communication or Fine Arts requirement.

5 May be in a discipline other than mathematics if the course is judged as equivalent to STA 1380 at Baylor.

6 Must be course equivalent to HIS 1300, 1305, 1307, 2356 or 2366. Note: HIS 1300 is preferred.

7 Course must cover entire life span.

8 BIO Requirements are the BIO 2401, BIO 2402, and BIO 1302/1102 courses. These will be assigned by your advisor to ensure all students are able to complete the sequence in a timely fashion. If students do not registered as assigned, they may be dropped from the courses and placed into the assigned course that may not be the original class day or time.

BACHELOR OF SCIENCE IN NURSING COURSE OPTIONS

| MCC COURSE | BAYLOR COURSE | BAYLOR TITLE |
|----------------------------|---------------|---------------------|
| LITERATURE OPTIONS: | | |
| ENGL 2321/22 | ENG 2301 | British Literature |
| ENGL 2326, 2327, or 2328 | ENG 2304 | American Literature |
