	See Reverse	Restricted Elective	3		See Reverse	General Elective (If needed)	3		
			16				16		

### Notes about major requirements:

– Students must have completed and earned a "B" or better in each of the following courses before continuing with upper level CSD courses: CSD 1308, 2318, 2351, and 3357. Please see the course catalog for additional prerequisite(s) requirements.

– Students planning a career in audiology & speech pathology are encouraged to pursue a master's degree. Upon completion of the master's degree in communication sciences & disorders, students are eligible to seek certification by the American Speech-Language-Hearing Association (ASHA) & to seek licensure as speech pathologists.

\*ASHA required courses (ASHA requires that students complete courses in Biological Science, Physical Science, Statistics, and Social & Behavioral Sciences; Psychology is strongly recommended to meet the Social Science requirement)

– Minimum 3.0 GPA average in the CSD courses required for retention in the major.

### Notes about general requirements

- Please keep in mind that this is only a suggested sequence. Actual sequence will vary according to possible second major, minor, other program of study (including pre-health), and individual circumstances (ex., transfer credit, dual credit, and credit by exam).
- In order to complete your degree, you must fulfill all requirements in your major and general requirements for the Robbins Bachelor of Science. Students must choose 24 hours of Restricted Electives (8 courses) from list below
- To complete a double major, you may not count any courses toward both majors.
- For more specific information on general requirements, see the undergraduate catalog.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree

MCC COURSE	BAYLOR COURSE	BAYLOR TITLE
